

# Headless Duplicated Tapes

The diagram consists of a horizontal row of four empty rectangular boxes. Each box is defined by a thin purple border. The boxes are separated by vertical lines. The first box on the left is labeled 'Headless Duplicated Tapes' in a purple, sans-serif font, oriented vertically. The entire row of boxes is enclosed within a larger rectangular frame defined by a thin red border. There are also small red tick marks at the top and bottom of the vertical lines separating the boxes.
